HAVE A DRINK

At Graphic we like to keep it simple: Great drinks, Great food, Great service.

We're London's largest gin bar with over 300 at last count, but we know that sometimes you just need that little something extra.

Our team are more than happy to make you your own cocktails for your night with the spirit of your choice and you can even brand our signature paint tins to give your party that extra personal touch.

TUCK IN

Our great finger food selection goes down a treat whatever the occasion. Easily shared with no cutlery required, just dive in. Let us know which party foods you'd like to go with and from what time and we'll take care of the rest. See food menus on page 5.

BRING YOUR FRIENDS

You can come and party at Graphic 7 days a week. The bar is licensed to midnight Monday - Saturday (11.30pm on Sundays). We can also extend the license for a late night knees up.

Bring along groups of 60 up to 200 people for a private event or share the love and you can reserve a half bar space for up to 80 people.

THE EXTRAS

There are 2 projectors in Graphic that you're welcome to use for your night. Have the same footage playing at both ends of the room or create two separate visuals. There's a resident DJ playing every Thursday - Saturday night and you're welcome to use the decks for your own DJ for midweek parties or just bring along an iPod with your own playlist. Security and cloak room facilities are included for all private parties.

USE US

We've hosted everything from launches for waterproof MP3 players and property companies to wrap parties for UK directed movies so whatever the reason for your party just let us know what you need and we'll make it happen for you. You'll have full control of lighting, music and furniture and you're welcome to bring in external equipment, branding and entertainment for your night.

RATES

There is no hire fee to use Graphic for your event, instead we work on a minimum spend basis which varies depending on the day of the week and the time of the year. Rates start from just £3,000.
